Technical information

Productnumber : 86ATV-2130

Product description

Foldable aluminum ramps 210 cm, set of 2 pieces. With a load capacity of 680 kg (per set), they are very suitable for transporting vehicles such as; golf cart, quad, lawnmower, carriage or e.g. mini tractors. Easy to move due to the light weight, 14 kg each. With the raised edges of 2.5 cm high you prevent slipping. The rubber 'fingers' on the top prevent vehicles from slipping and ensure safe guidance of the vehicle to the loading area. Two additional adjustable heavy-duty safety straps are included to secure the ramps securely to the vehicle to be loaded.

Specifications

Article arrangement: New

Version: aluminium 210 cm (pair)

Floor: driving area of anti slip profile

Width (mm): 220

Weight (kg) 14

Batch (items): 2

EAN Code (Gtin) 8719424186161

Type: access ramp foldable

Material: aluminium

Length (mm): 2130

Loading capacity (kg): 680

Type number: 86ATV

Additional specifications: with 2 cargo lashes
