Technical information

Productnumber : 53-JC20-UN-D

Product description

20 liter stackable jerry can. Made from the highest possible quality HDPE plastic. The jerry can is UN approved and suitable for the safe storage and transport of hazardous liquids. The cams at the top make it easy to stack the jerry cans. The jerry can is natural in color and translucent so that you can see how much liquid is left in the jerry can. Supplied with screw cap with break ring guarantee closure.

Not suitable for fuels such as petrol.

Opening (external): 61 mm (DIN)

Opening (internal): 48 mm

Specifications

Article arrangement: New

Version: standard
