Technical information

Productnumber : 44-R2020

Product description

Round sling 2 tons color green, 2 meters. The round sling has a working load of 2 tons and is equipped with a wear-resistant double woven cover. The inside is made of parallel twisted yarns and together form an endless strand, making the round sling as a whole flexible and pleasant to work with.

With a round sling there is always a working length and a circumference. The circumference is 2x the working length. The working length is the length you ordered!

- material: 100% polyester (cover, strands and stitching thread)
- color: green
- tonnage indication by means of stripes on the cover
- double woven wear-resistant cover
- usage factor: 7:1
- temperature range from -40 °C to +100 °C
- CE and GS quality mark and are manufactured according to EN 1492-2 norm
- provided with certificate and blue label on round sling

Specifications

Article arrangement: New
