Technical information

Productnumber : 38-TG64-GB-W

Product description

Plastic transport roller with closed bottom, color blue. Practical trolleys for transporting stacking containers, Euro standard containers or, for example, meat crates. Suitable for industrial bins with Euro standard 60x40 cm or 2 pieces 40x30 cm. Equipped with 4 rubber castors (2 of which are braked) with a diameter of 100 mm for smooth running. The dolly can be loaded up to 250 kg with an even distribution.

Also available on request in other colors or with other wheels, please contact us for the possibilities.
