Technical information

Productnumber : 99-869-LZ-4M

Product description

Demountable lightweight container. This hot-dip galvanized metal shed can be assembled and disassembled in no time at all. When stored, the unit saves a lot of space. The walls are made of 0.8 mm profiled sheet and the roof and bottom of 1.5 mm profiled sheet. On the bottom is a wooden chipboard with spacers underneath for good air circulation. There are four lifting eyes at the top and plug-in brackets for a forklift truck at the bottom. The door on the side can be closed with a cylinder lock with a key.

Specifications

Article arrangement: Custom built

Version: 2-part folding door at the long side 1950x1890 mm

Walls: corrugated steel plate

Top: corrugated steel plate

Surface treatment: galvanized

Internal length (mm): 3980

Internal width (mm): 1980

Internal height (mm): 1980

Weight (kg) 500

EAN Code (Gtin) 8719424046205

Type: detachable containers with click system

Material: steel

Floor: wooden floor suitable for heavy loads

Colour: colorless

Length (mm): 4100

Width (mm): 2100

Height (mm): 2100

Loading capacity (kg): 3000

Type number: 869-LZ
