Technical information

Productnumber : 717AH16509010

Product description

protective cover for roll containers with a minimum height of 1650 mm. These covers are made of high quality PE plastic. The protective cover has two zippers on the front, making it easy to access the contents without having to remove the protective cover. The white roll container cover protects the products against water, dust and dirt during transport or storage.

Specifications

Article arrangement: New
