Product description

Used fully collapsible painted mesh container. This gitterbox is easy to fold due to its hinged walls. One long side wall folds half way for easy access. The sturdy steel frame stands on four legs and can easily be picked up on both sides by a forklift or pallet truck. The wire container is stackable both when folded and unfolded. The bottom is fitted with wooden planks on a steel construction.

Please note! B-quality, with damage: steel construction bent in the bottom (see photos).
