Technical information

Productnumber : 856890

Product description

Roller conveyor fixed version for lifting table.

- 9 steel rollers with ball bearing
- diameter 57 mm
- width 430 mm
- axis distance 112.5 mm
- height 64 mm

Specifications

Article arrangement: New

Version: guide rolls

Colour: anthracite

Height (mm): 64

Weight (kg) 31

EAN Code (Gtin) 8719424022476

Type: accessories

Material: steel

Surface treatment: powdercoating

Application: accessories

Type number: 85689
