Technical information

Productnumber : 712S2P1575

Product description

Sturdy 2-sided roll container with a steel rolling base, fitted with flexible polyamide wheels and a tubular frame at the rear for reinforcement. Fast assembly and disassembly of the insert gates. 2 nylon lashing straps are supplied as standard with each roll container. Extra option to provide the roll container with steel floors. Very suitable for the distribution of products to and from shops and internal transport.
