

Technical information

Productnumber : 716ADS1SR10050

Product description

NB! This article will be available again mid week 14.

Galvanized steel nestable anti-theft roll container with 2 swivel (braked) and 2 fixed rubber wheels. These wheels are made of elastic rubber and offer excellent driving comfort. The anti-theft roll container is equipped with a door, a folding bottom, a folding floor and a folding roof. Thanks to the a-frame undercarriage, several roll containers can be compactly slid into each other. The floor and the roof are hinged downwards, the door is hinged against the side wall and the side walls are hinged inwards. This saves you considerable space during storage and transport.

Specifications

Article arrangement: New

Version: A-nestable

Walls: undefined

Wheels front: 2 castor wheels solid rubber with wheel locks 125 mm

Wheels back: 2 fixed wheels, solid rubber 125 mm

Colour: colorless

Length (mm): 1200

Width (mm): 800

Height (mm): 1820

Loading capacity (kg): 500

Type number: 7ADS04

EAN Code (Gtin) 8719424140231

Type: Full Security

Material: steel

Floor: steel

Subgroup: Full Security

Shelves: floor / 1 shelf / foldable

Surface treatment: electro-galvanized

Internal length (mm): 1145

Internal width (mm): 735

Internal height (mm): 1545

Application: incl. 1 level

Additional specifications: rubber wheels with wheel locks
