Technical information

Productnumber : 12-140EURQ

Product description

The Master Lock Solid Body Padlock features a 40mm wide solid body lock that is strong, durable and corrosion resistant. The shackle with a diameter of 6 mm is 22 mm long and made of hardened steel and is therefore extra resistant to cutting and sawing. The 4-pin cylinder prevents the lock from being picked and the double locking levers provide additional protection against prying and slamming. is against cutting

- Cylinder with 4 pins for increased protection against lock picking
- Double locking levers for extra protection against breaking open and slamming
- Keys included

Specifications

Article arrangement: New
Version: with double locking levers
Colour: golden colour
Type number: 140EURQ

Type: padlock
Material: steel
Width (mm): 40
EAN Code (Gtin) 8719424173987
