## Technical information

**Productnumber : 99-1575**

### Product description

Basic hot-dip galvanized stacking rack including stanchions. The stanchions are fitted with a flat plate for proper placement of the product. The racks are stackable and nestable.

These are specially developed racks which are very suitable for storing or moving long material due to the profile stanchions. Think of benches, textile rolls, furniture, wooden tops and bicycle boxes.
