Technical information

Productnumber : 72C003014

Product description

Platform type - hout

Floor area 3880x3480 mm

Safely to great heights with just one pair of hands. You quickly assemble and dismantle the MITOWER without the help of others. This unique rolling tower is full of innovations, is compact and easy to transport. The reliable answer to the wishes of every user in every industry.

The smart design forces you to assemble the rolling tower safely. Step by step to heights of 4, 5 and 6 meters. Crossbars and a unique suspension mechanism in the platforms give you maximum grip and make it extra easy for you. Double guardrail braces, a handy claw system and double-braked wheels make the rolling tower the most stable of its kind.

Specifications

Article arrangement: New

Version: quick build

Subgroup: Mobile scaffolding

Width (mm): 1650

Depth (mm): 750

Weight (kg) 169

Type number: C003002

Horizontal platform (mm): 6000

EAN Code (Gtin) 8719424175516

Type: Altrex mobile scaffolding

Material: aluminium

Colour: alu silver

Height (mm): 7000

Loading capacity (kg): 480

Options: Norm: EN1004

Additional specifications: type use: professional

Work height (mm): 8000
