

## Technical information

**Productnumber : 72194405**

### Product description

This staircase is the most robust professional staircase. Can be accessed on both sides and can therefore be used on both sides. It is very suitable for heavy work at home or in professional projects. Despite the robust design, the stairs are lightweight due to the open step profile. The bracket gives you an extra sense of security. The sturdy stair feet provide the necessary stability. In addition, the anti-slip contour ensures that you do not slip.

### Specifications

Article arrangement: New  
Version: double-sided, 2x5 steps  
Subgroup: Stairs  
Width (mm): 530  
Depth (mm): 1040  
Options: Norm: EN 131  
Height when folded (mm): 1250  
Horizontal platform (mm): 1200  
EAN Code (Gtin) 8719424174915

Type: Altrex industrial stairs  
Material: aluminium  
Colour: alu silver  
Height (mm): 1270  
Weight (kg) 8  
Type number: 194403  
Additional specifications: type use: professional  
Work height (mm): 3200
