Technical information

Productnumber : 42.243.10.158

Product description

Very suitable traffic mirror for indoor and outdoor use with brilliant optical quality. The curved mirror surface is made of impact-resistant acrylic. The UV-stable plastic frame is corrosion-free and weather-resistant. Light as a feather and easy to install. Easy to assemble in many positions by means of the supplied 76 Ø mm holder including mounting material. An adapter for 60 Ø mm stanchions is available below.
