Technical information

Productnumber : 96-KM8000-3L-CL

Product description

Order picking trolley with three floors and wheels with central locking. This very flexible warehouse cart is made of electrolytically galvanized steel and has laminated wooden floors that can be mounted at different heights. The four castors can be used in different positions, which makes the shelved trolley extremely manoeuvrable and handy. The load capacity of the shelf trolley is 250 kg.

Specifications

Article arrangement: New
Version: with 3 shelves
Walls: mesh
Subgroup: Order Picking trolley
Colour: colorless
Length (mm): 1195
Width (mm): 470
Height (mm): 1120
