Technical information

Productnumber : 854295

Product description

Warehouse trolley with three wooden floors with a beech decor top layer. The top two levels can be installed variably in a grid of 120 mm. The levels are adjustable at an angle of approx. 15° and 30°. Each floor has a load capacity of 80 kg and a total load capacity of 500 kg. The side trolley is equipped with two braked swivel castors and two fixed castors. The cart is extremely robust due to the powder coating.
