

Technical information

Productnumber : 858411

Product description

Shelf car with closed end walls. The warehouse trolley has one fixed and three variable adjustable wooden shelves in a grid of 100 mm with a load capacity of 90 kg per shelf. The total load capacity is 600 kg. The platform cart is handy and robust due to the two swivel castors with brakes, two fixed castors and powder coating. The floors have a beech decor top layer.
