Technical information

Productnumber : 858412-1

Product description

Shelf trolley closed on three sides with wire steel. The warehouse trolley has three variable adjustable wooden levels in a grid of 100 mm with a load capacity of 90 kg per level. The total load capacity is 600 kg. The platform cart is handy and robust due to the two swivel castors with brakes, two fixed castors and powder coating. The floors have a beech decor top layer.
