Technical information

Productnumber : 8512586

Product description

Table trolley with four screwable stanchions suitable for heavy loads. This stake car is equipped with high-quality elastic, streak-free tyres. The steel frame has been treated with a powder coating to make it robust and scratch-resistant and the bottom is made of waterproof plywood with an anti-slip layer. The payload is 1200 kg. The platform cart has two braked swivel castors and two fixed castors.
