Technical information

Productnumber : 851384-S

Product description

Single-sided container trolley with five tiltable levels. The wooden inlaid shelves are adjustable in an angle of 15° or 30°. Each floor has a load capacity of 80 kg with a total load capacity of 300 kg. The powder coating makes the frame robust and scratch-free. The side trolley is equipped with four swivel castors, two of which have brakes.

Delivered without containers!
