

Technical information

Productnumber : 852891

Product description

Double-sided box trolley with wood inlay. The container trolley has four tiltable levels that are infinitely adjustable between 0° and 35°. The floors can be tilted by means of clamping screws. The total load capacity is 300 kg. Load capacity per floor is 60 kg. The side trolley is powder coated for a robust exterior and has four swivel castors, two of which have brakes, in accordance with EN 1757-3 (Safety standard for platform trolleys).
