Technical information

Productnumber : 8513550

Product description

Roll platform with two floors inlaid with wooden plate. The table trolley has a useful shelf distance of 400 mm. The load capacity of the top floor is 100 kg and the total load capacity is 250 kg. The platform trolley has four swivel castors, two of which have brakes. The frame is treated with a robust powder coating that makes it scratch and impact resistant.
